**FOSTER CARE ALUMNI FAMILY REUNION HIGHLIGHTS THE NEEDS OF AUSTIN
AREA YOUTH IN - AND FROM - FOSTER CARE**

***Foster Care Alumni Call on Congress to Act Now to Help Children in Foster
Care Join Safe, Permanent Families***

WHAT: On Saturday, September 20, 2008, “Together 2008: Alumni Family Reunion” hosted by Foster Care Alumni of America will transform the classic family reunion into a community event for foster care alumni in Texas and nationwide.

A family reunion picnic will be held in cities across the country, including Austin, TX. The event underscores the fact that all children and young people need the support of a family, yet the more than half a million children currently in foster care too often drift from placement to placement without finding the permanency they need and deserve. At the Austin Alumni Family Reunion, Texas foster care alumni will highlight the need for Congress to act to help children in foster care join safe, permanent families.
