**FOSTER CARE ALUMNI FAMILY REUNION HIGHLIGHTS THE NEEDS OF
SEATTLE AND TACOMA AREA YOUTH IN - AND FROM - FOSTER CARE**

*Foster Care Alumni Gather in Tacoma and Call on Congress to Act Now to
Reform Foster Care*

WHAT: On Saturday, September 20, 2008, “Together 2008: Alumni Family Reunion” hosted by Foster Care Alumni of America will transform the classic family reunion into a community event for foster care alumni in the Seattle/Tacoma area and nationwide.

A family reunion picnic will be held in cities across the country, including Tacoma, Washington. The event underscores the fact that all children and young people need the support of a family, yet the more than half a million children currently in foster care are often separated from friends and family and everything that is familiar. At the Seattle and Tacoma Alumni Family Reunion, Washington State foster care alumni will highlight the need for Congress to act to help children in foster care join the safe, permanent families they both need and deserve.
