Look into the faces of our members and you will see someone who shares a similar background or life situation. FCAA members range in age from 18 to 82 years old. We represent all walks of life. We are your brothers and sisters because we shared the same legal parents – the government.

We proudly claim the term 'alumni' because it allows us to claim the expertise and experience we gained though our time in foster care.

Our mission is to connect the alumni community and to transform policy and practice, ensuring opportunity for people in and from foster care.

Whether you live in a state with a thriving FCAA chapter or your access to us is through our web site, we have much to offer you.

We are not a service provider – but we do offer important, valuable benefits to our members. Among the many reasons to become an FCAA member, a few stand out:

- **You become connected to a nation-wide community.** Look to FCAA to connect with alumni to provide guidance, support, and knowledge that can only be gained from someone who has walked your path. We are an extended family for each other at FCAA.
- **You become part of a movement to transform the foster care system.** Whether you choose to be active in FCAA's efforts to have a positive impact on child welfare policies and practices or your involvement is limited to staying knowledgeable through the web site and newsletters, you are a valuable member of our community. You are important to us.
- **You become informed of important community activities.** Through our web site, quarterly newsletters and periodic alerts, FCAA keeps you aware of what's going on within the nation... Look to FCAA to keep you connected to the important issues facing our community.

**Connecting Today... Transforming Tomorrow**
